

ChronoPay begins processing for pandora-software.com, meyrocorp  
Apr 1, 2008

ChronoPay is primary processor for TrafficConverter.biz, a rogue antivirus affiliate program that earned millions for scammers. Trafficconverter.biz was sent massive amounts of traffic because it was hard-coded into the initial version of the Conficker Worm.  
Jun 15, 2008

ChronoPay employees register dozens of domains for use in upcoming rogue antivirus campaigns, including browsing-solutions.com, world-widesoft.com, creativity-soft.com, spyware-crusade.com, softwarebell.com

Jan 6, 2010 – Mar 25, 2010

ChronoPay employees set up corporations Yoliant Holdings and Flytech Classic Distribution Ltd. A large number of rogue antivirus and pharmacy domains list these two companies in their WHOIS registration records
